Dear Parents

## **APPLICATIONS FOR SCHOLARSHIPS 2011**

Applications for scholarships for 2011 are now open.

Kloof High School offers a variety of scholarships that recognise academic, sporting and cultural achievement, as well as leadership potential, and we invite you to submit an application for your son / daughter. The application form is enclosed.

The closing date for application is 19 February 2010. Following an initial selection process based on the information in the applications, we will be inviting possible scholarship holders to an interview. Our final selection will take place after the interviews are complete. It is our intention to advise successful applicants of our offer by 23 March 2010.

We do hope that you will make Kloof High School your school of first choice in selecting a High School for your child and that you will submit an application for scholarship for your son / daughter.

Yours faithfully
