

KLOOF HIGH SCHOOL

"To be the best that I can be"

19 August 2010

Dear Parents

I apologise for any inconvenience caused by the evacuation of the school earlier on today. I would have preferred to remain open but felt I had no choice but to close. I would rather not antagonise the strikers as I fear for any repercussions. The school remains open and staff are present but I ask parents to exercise their own judgement re whether to send your child to school tomorrow or not. The situation is unpredictable and I cannot guarantee that something similar will not occur again tomorrow. Hopefully the matter will be settled shortly and all will return to normal. I will keep you updated. In the meantime rest assured that the Grade 12's will not suffer as a result of this forced closure. The syllabi in most subjects (if not all) are complete and students need to do some thorough preparation of their own. If need be we will schedule extra classes outside of school hours. I ask for your understanding and patience. We have been through this before and have learnt from previous experience.

Yours faithfully
